SPEAKER: Is there any further discussion of the bill?
Senator Whitney.

SENATOR WHITNEY: Just curious, Senator Schmit, is this in the Governor's budget or not?

SENATOR SCHMIT: I don't know if it is or not, I doubt that it is, Senator Whitney.

SENATOR WHITNEY: O.K. Thank you very much.

SPEAKER: Any further discussion of the bill? Question is shall L.B. 77 be advanced from general file to E&R initial. All those in favor--Senator Schmit, are you all through explaining? Excuse me. Question is, shall L.B. 77 be advanced from general file to E&R initial. All those in favor vote aye. All those opposed vote no. Motion is to advance L.B. 77, from general file to E&R initial. Well, once again, have you all voted? Clerk will record. Thank you. I suppose it's only fair for the Chair to remind the body that as the presiding officer it is not my prerogative to lobby for votes from the Chair and it is also not my privilege to leave the vote open forever in order to accommodate the body out there in order to have them vote, so I'm going to remind you that some of these are going to result in some extra calls of the House if you don't respond perhaps a little more promptly. I cannot leave it open because then I am criticized for extending the time for the period of voting.

CLERK: The vote, Mr. President, is 26 ayes, no nays, 23 not voting.

SPEAKER: Thank you. L.B. 77 is advanced. This brings up the general file consideration of L.B. 102A. Senator Savage's bill.

CLERK: Legislative Bill 102A, introduced by Senator Savage and Schmit (read).

SPEAKER: Chair recognizes Senator Savage.

SENATOR SAVAGE: Mr. President and Members of the Legislature. This is the A bill to L.B. 102 which provides education to the multihandicapped children for whom education services are not available in their own school. I move it be passed over to E&R initial.

SPEAKER: Is there any further discussion of L.B. 102A? Question is shall L.B. 102A be advanced from general file to E&R initial. All those in favor vote aye. All those opposed vote no. Have you all voted? Thank you. Clerk will record.

CLERK: 29 ayes, no nays, 20 not voting.

SPEAKER: The bill is advanced. We will move on to Senator Carpenter's 165.

CLERK: Legislative Bill 165, introduced by Senator Carpenter of the 48th district. (read) There are lengthy committee amendments, Mr. President by Senator Fred Carstens' Banking Committee.

SPEAKER: Chair recognizes Senator Carstens.

SENATOR CARSTENS: Mr. President, I move the committee amendments be adopted. Mr. President and Members of the Legislature, when we originally heard this bill and by the way, this bill was introduced at the request of the Banking Department who, and this is one of a number of bills introduced by the, asked for and introduced at the request of the Banking Department to bring certain sections of the banking laws having to do with specific subjects in line and in accord with present banking and practices. Now, this bill was one of two bills that was introduced, one was introduced by Senator Luedtke and the other by Senator Carpenter and in the process of the hearing, there were some similarities
